Wheels for Winning
Pick a Day Fundraiser

How it works: Players seek donors to sponsor them for one day or multiple days. Pledges correspond to the day of the month the sponsor wants to cover. For instance, a person who agrees to donate \$30 could cover sponsorship for the 30th or for the 10th and 20th, etc. A \$5 pledge could cover two days (2nd and third) or the 5th.

Our Goal: Each player in the program is asked to completely fill a month of pledges and return pledge sheets and money to their team POC by **1 December 2024.**

Social Media: We highly recommend players/parents use social media to get the word out on this fundraiser. Facebook and other social media sites have been very helpful for folks running this fundraiser in the past. Prospective sponsors can pick a day(s) to cover and donate via Venmo, PayPal, mail or other means. This allows players to request sponsorships from family and friends throughout their circle.

Thank You for supporting this fundraiser! The goal of the Wheels for Winning campaign is to raise much needed funds to replace our aging vehicle fleet. The Pick-a-Day fundraiser is our kickoff to meet our goal of providing Post 6 players and coaches with safe, reliable transportation to and from games and future Championships for years to come.
