

Dear Post 6 Supporter:

Oh, what a season 2023 was! The Sixers became the first Wyoming team EVER to qualify for the American Legion World Series! It was 96 years in the making. Getting there they became the first Wyoming team to ever win the Northwest Regional. The boys will wear those Regional Championship patches on their uniforms with pride.

In addition, the Sixers picked up their 36th State Title, 4th in a row, and 20th in the last 23 seasons. The success has been remarkable, and we simply couldn't do it without the great support we get from the community and businesses like yours.

In pool play at the World Series, Post 6 lost to Texas 0-4, beat Maine 2-1, then beat reigning National Champion Troy, Alabama 3-2—to qualify for the National Semi-finals. In the semi-final, Colter McAnelly threw a 1-hitter, but we lost a heartbreaker 1-2 to Nebraska. The Sixers finished as one of the top 4 teams in the nation—a season for the ages.

Our Hawks made a bold statement and moved from the “A” division up to the “AA” division to fill a void left by Riverton. They had a great season playing in the higher division and lost at State to the Sixers (the eventual Regional Champion) and to Gillette (the eventual Regional Runner-up). The experience our younger players gained from playing at the highest level will certainly help the program going forward as we re-load for next season.

The Prep team started slowly but improved consistently throughout the summer, peaking at the State Tournament with an admirable runner up finish. Our Indians team had an outstanding season, winning the “C” State Championship for only the 2nd time in program history.

The core of the success for our program are our business sponsorships, family and individual sponsorships. This enables us to travel and host games and tournaments with quality opponents, which makes us better. And Legion baseball is not government funded like school-sponsored athletics. We rely solely on gifts, donations, sponsorships, and advertising from our passionate community.

Beyond baseball, we feel the life lessons our players learn along the way are vital to their success as they graduate out of our program and into the world. Your 2024 season partnership is critical in this worthy endeavor.
